

Instructions for Weekly Status Reports and timecard entry

Project Status Report:

Employees are required to submit the **Project Status Report on a weekly basis** by using the below **Clockify Portal**.

You will get a separate email from Clockify to signup.

Once signed up, when within the Clockify Portal, you will be required to enter your time/hours worked (timesheet) and also provide the details of the tasks you have completed for that day.

All project status reports are due **no later than 10:00 AM Monday following the week worked**.

The time card (hours) within Clockify along with your client-approved time cards are required to maintain your employment status.

Time Card Instructions: (Client Approved Timesheets)

Employees are required to accurately record daily records of all time worked and meal periods are taken. Employees are personally responsible for managing their timecards. This includes acquiring a client's signature, keeping a personal copy for your records, and submitting a signed timecard to our office prior to the deadline. The following procedures are required of all employees:

- All timecards are due **no later than 10:00 a.m. Monday following the week worked**.
- A timecard must be signed by both the employee and the client or clearly indicate that **the timecard is APPROVED**. In the event a client is unavailable to sign a timecard prior to the EMVIA timesheets deadline, employees are still required to submit the unsigned timecard to EMVIA by the above-mentioned deadline.
- Employees must keep a copy of their timecard for their personal records.
- **You must email timesheets@emvia.com**. Timecards submitted to or routed through any other email ID will cause delay in the timely processing of payroll.

Employee timecards must accurately and fully identify all time that has been worked during the designated time. It is essential that all employees comply fully with this policy.

Leave of Absence:

An eligible employee should **submit a request in writing to erm@emvia.com** and to their respective client manager where applicable. A request for a leave of absence must be made in writing and requested **at least five (5) working days before the start of the approved leave period**. An employee is required to return from the leave on the originally scheduled return date. If the employee is unable to return, he or she must request an extension of the leave-in writing. Leave of Absence Form is available at your request.

ALL PAYROLL QUESTIONS AND INQUIRES CAN BE ANSWERED VIA EMAIL erm@emvia.com OR BY CONTACTING ERM MANAGER at (214) 613-5674
